카드 요약 / 당시 확인 내용

At its 474th meeting held on July 30, 2026, India's Registration Committee approved registration for indigenous manufacture of three crop protection formulations under Section 9(3) of the Insecticides Act, 1968. Nichino India Private Limited received approval for Flubendiamide 5.75% + Emamectin Benzoate 1.92% ME for maize (fall armyworm, stem borer) and soybean (stem fly, semi loopers, pod borer). Krishi Rasayan Exports Pvt. Ltd. received approval for Azoxystrobin 5% + Isoprothiolane 18% + Validamycin 3.5% WDG against rice blast and sheath blight. Bayer CropScience Limited received approval for Ethiprole 16.95% w/w + Benzpyrimoxan 25.42% w/w SC against brown planthopper, white-backed planthopper and green leafhopper in rice. All approvals carried conditions on shelf life, storage stability data and safety labeling.
