카드 요약 / 당시 확인 내용

The Australian federal government provided an A\$8.7 million funding boost to the APVMA to maintain its capability to assess, regulate and monitor agricultural and veterinary chemicals through the 2026 - 27 financial year, acting as a bridge while a new sustainable funding policy is developed. On 9 June 2026 the APVMA appointed James Deller as its new Executive Director, Science and Assurance. Growers and the crop protection sector welcomed the funding.
