카드 요약 / 당시 확인 내용

EPA announced the availability of its open literature search results regarding glyphosate and invited public feedback on the comprehensiveness of the search. The search supports the agency's ongoing registration review of glyphosate and will inform the hazard assessment for an updated human health risk evaluation scheduled for completion in late 2026. Comments must be submitted by September 24, 2026 through regulations.gov under docket EPA - HQ - OPP - 2009 - 0361. The notice was published in the Federal Register on August 25, 2026.
