FMC Corporation reached an agreement under which Tessenderlo Group will make a strategic minority equity investment of \$400 million at a price of \$13.30 per share. Upon completion, Tessenderlo Group will own approximately 20.0% of FMC's outstanding common stock. FMC intends to use the funds to achieve its approximately \$1 billion debt paydown target. In recent months FMC has also raised \$1.2 billion in secured high - yield bonds, negotiated an India commercial business sale for \$252 million, established a strategic supply and license agreement with Corteva including a \$200 million prepayment, and arranged a \$114 million sale - leaseback of its Newark, Delaware property. Tessenderlo CEO Luc Tack said the investment aligns with the group's strategy to expand its agro platform through minority positions in high - quality companies.
