카드 요약 / 당시 확인 내용

Global Agriculture reported on July 11 that the ISO 1750 Maintenance Agency provisionally approved flupyropen as the common name for a new pyropene insecticide developed by Qingdao KingAgroot Chemical Compound Co., Ltd. The provisional approval was granted on July 3, 2026. ISO common - name approval is an early but important step for communication, registration dossiers and global commercialization of new crop - protection active ingredients.
