카드 요약 / 당시 확인 내용

The European Commission terminated renewal procedures for five genetically modified cotton traits after Bayer Crop Science withdrew its applications. The traits, approved in 2015, included Roundup Ready Flex (MON88913), Bollgard II (MON15985), Roundup Ready (MON1445), Bollgard (MON531) and the stacked MON531xMON1445. Bayer withdrew its five 2024 applications in late October last year.
