카드 요약 / 당시 확인 내용

EPA is announcing receipt of and requesting comments on applications to register pesticide products containing active ingredients not included in any currently registered pesticide products under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Comments must be received on or before September 21, 2026. The active ingredients include iptriazopyrid (NC - 656), a herbicide for use on rice, submitted by Nissan Chemical Corporation; styrene, divinylbenzene and ethylstyrene copolymer, chloromethyl trimethylamine for residential and commercial uses; and z - 9 - hexadecenal. All comments should be submitted via [regulations.gov](https://www.regulations.gov).
